

FOR IMMEDIATE RELEASE

SEIDIO ANNOUNCES FULL LINE OF ACCESSORIES FOR THE HTC EVO 4G

Houston, Texas – May 25, 2010 – Seidio, Inc., the leading manufacturer of premium Smartphone accessories, is pleased to announce the release of accessories for Sprint's first 4G phone, the HTC EVO 4G.

Screen protectors, cases, holsters and batteries along with several combos can be ***pre-ordered beginning today, May 25th, 2010*** and will begin ***shipping on June 3rd, 2010***.

Our Innocases have quickly become one of the most popular products we manufacture. They add an amazingly thin layer of protection without the excessive bulk of other cases and when paired with a screen protector, it results in complete protection for your phone. For those that quickly drain their batteries, our Innocell batteries increase usage time and limit the number of times devices need to be charged. For a complete list of products and combos that are currently available for pre-ordering, please visit www.seidioonline.com.

Below you will find pictures of a few of our popular accessories, the Innocase II Surface, the Innocase II Surface Combo, Spring Clip Holster and Innocell 1750mAh Slim Extended Life Battery. These and other accessories will all be available on launch day.

For more information on these and other great Seidio products, please visit www.seidioonline.com.

Founded in Houston, Texas in 2002, Seidio, Inc. is a leading developer and manufacturer of premium Smartphone accessories. We're a visionary company with a passion for innovation and an understanding of our customer's needs.
